Number at the end of line describing courses completed by individual student refers to that Jyväskylä University degree in which the course is included. Completed degrees are in numerical order at the beginning of this transcript.

## Abbreviations:

Y=General Studies, A=Subject Studies, S=Advanced Studies,  
P=Basic studies, K=Language studies, J=Postgraduate studies

Credits transferred from another institution of higher education can only be used for the degrees of the University of Jyväskylä

## ACCREDITATIONS/NOTICES:

(A) = A course accredited by studies at the open university  
(M) = A course accredited by studies completed at another university  
(U) = A course accredited by studies completed at an institution abroad

The grading scale used for assessing examinations and conversion to ECTS grading scale:

## University of Jyväskylä scale

## ECTS grading scale

excellent (E)	5	A
very good (K)	4	B
good (H)	3	C
satisfactory (T)	2	D
sufficient (V)	1	E
fail	0	FX, X

The basic courses in Swedish are assessed only by the scale TT (satisfactory) and HT (good), because these courses, when completed as a part of degree, are also regarded as proof of the command of the second native language required of personnel in public bodies.

Some basic courses are not graded or they are graded by using the scale: pass (HYV in Finnish) - fail

## ASSESSMENT OF THESIS:

Approbatur = A, AP

Lubenter approbatur = B, LU

Non sine laude approbatur = N, NS

Cum laude approbatur = C, CL

Magna cum laude approbatur = M, MG

Eximia cum laude approbatur = E, EX

Laudatur = L, LA

Pass = HYV

Good = H

Excellent = ER

Sufficient = V

Satisfactory = T

Good = H

Very good = K

Excellent = E

Degrees, courses and studies in general are measured in ECTS credits (opintopiste in Finnish). One year of full-time studies refers to an average input of 1600 hours of work by the student and amounts to 60 ECTS credits.

A Bachelor's degree is composed of 180 ECTS credits and can be completed in three years. A Master's degree is 120 ECTS credits and can be obtained in two years, with the exception of psychology. In psychology the extent of the Master's degree is 150 ECTS credits.
